Filing Date:	May 23, 2001	Examiner:	Wills, Monique M.
Title:	LITHIUM ANODES FOR ELECTROCHEMICAL CELLS		

COMMUNICATION REGARDING FINALITY OF OFFICE ACTION

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Commissioner:

Per the voice mail message left by Applicant's undersigned representative, Applicant requests that the finality of the Office Action mailed on August 2, 2004 be removed. The Examiner has introduced four new grounds of rejection (claims 16-17 and 19-20 are now rejected under 35 U.S.C. § 102(b) as being anticipated by Kawakami et al.; claims 21-29 are now rejected under 35 U.S.C. § 102(e) as being anticipated by Chu et al., claims 30-34 are now rejected as being obvious over Brodd in view of Stachoviak; claim 35 is now rejected as being obvious over Brodd in view of Chu). In view of the new grounds of rejection it is not proper to issue a final office action. MPEP § 706.07(a). Applicant therefore requests a communication withdrawing the finality of the Office Action.

Applicant's representative would welcome a call at the number listed above if it would assist in the prosecution of this application.

Respectfully submitted,

Date: 8-12-04
